Dear Sir

I mailed a check for \$693 but the city of St. Paul returned that check to me and now you are charging me an additional fee to collect the same amount. I am enclosing a copy of the returned check refusing to cash so that they can collect more money. Instead of helping out during the time when the living cost is going up now the government wants to penalize unnecessarily.

I am requesting you to please remove the extra charges.

Thanks  
Narayan Agrawal
