EIGHTH AMENDMENT TO
SAINT PAUL NEIGHBORHOOD
REDEVELOPMENT PLAN

I. PURPOSE

The Housing and Redevelopment Authority of the City of Saint Paul, Minnesota (the “HRA”) proposes to amend the Saint Paul Neighborhood Redevelopment Plan to enlarge the project area, which enlarged area qualifies as a redevelopment project under Minnesota Statutes, Section 469.002, subdivision 14 and as blighted area under Minnesota Statutes, Section 469.002, subdivision 11 in that it consists of areas with buildings or improvements which, by reason of dilapidation, obsolescence, overcrowding, faulty arrangement or design, lack of ventilation, light, and sanitary facilities, excessive land coverage, deleterious land use, or obsolete layout, or any combination of these or other factors, are detrimental to the safety, health, morals, or welfare of the community.

The purpose of the Redevelopment Plan is to develop or redevelop sites, lands or areas within the Project Area in conformance with the City of St. Paul's Comprehensive Plan, and to implement recommendations of studies completed, in order to implement the City's Comprehensive Plan, including without limitation the construction of additional housing units. The redevelopment activities are expanded by this Eighth Amendment to include, the redevelopment activities associated with the redevelopment of the 112-acre former Hillcrest Golf Course (referred to as “The Heights”) at the intersection of Larpenteur Avenue and McKnight Road. The site is contaminated and lacks infrastructure to support vertical development. The vision of the Master Plan adopted for the redevelopment will facilitate the creation of a vibrant jobs center with approximately 1,000 jobs, the potential for more than 1,000 housing units with a mix of ownership and rental and a mix of income restricted and market rate, and the development of new parkland, occurring within the newly added area of the Project Area.
