Greg,

Correct, no incident report since there were no calls for service.

Have at it with the DC if you want.....It's frequent the DC doesn't get back to us.....but unusual for this one.....I was going to attempt a call sometime this week if I didn't get an email response.....Nhia should speak with Dan about our process for this if she has questions.

I'll be the person attending the hearing.

Thanks,

Hi Jeff,

Based on the attachments, has there not been confirmation that the district council was notified prior to applying? Looks like they never got back to you. I can try reaching out as well.

Also, I don't see a police incident report. Were there no incidents at all for that address?

Thanks,
