Hello Shai and Carolyn,

At your hearing from December 5, 2023, there was little discussion about the summary abatement referencing the repair, replace or removal of the garage and there was no mentioned of deadline for compliance by Ms. Moermond. Therefore, Ms. Moermond will be conducting a hearing on January 9, 2024 between 1:00 p.m. and 3 pm via telephone to determine if this nuisance is abated or whether extension is feasible.
