What is Being Appealed and Why?

Revocation of Fire Certificate of Occupancy-

Not enough notice to find other accommodations, particularly with inclement Winter weather and in the midst of a housing crisis. Additionally, I am a senior citizen with mobility issues and on a fixed income. I have nowhere to go with this short of a notice and this will likely cause me to lose all my belongings.

Concerns appear to be relatively minor compared to the threat of being unhoused, and should be able to be corrected without displacement of occupants.
