Good morning Mai,

The EC Document was not generated so it was not sent to the property. I believe the Fee was automatically assessed when the EC Document box was checked in error. My notes from 11/7/23 show that the project was "In Progress" and a re-check date was set for 12/15/23. Please delete the Fee.

I do not know why mailings are going to 232.

Please let me know if you have any other questions.

Thanks,
Dick

Hi Dick,

Can you push the EC to STAMP. Also, it's a condo, why does owner at 232 Exchange ends up with the bill?
