Resolution in Support of a On-Sale Liquor License, Liquor On-Sale on Sunday and for the Outdoor Service Area at 1214 Randolph Ave

Whereas Intermax Izakaya Inc, doing business as Potsticker at 1214 Randolph Ave has applied for a Liquor On Sale, Liquor On Sale Sunday and will apply for an Outdoor Service license (to open at a later date), with the City of Saint Paul; and

Whereas the Highland District Council's Community Development Committee met with the applicant on June 20, 2023; and

Whereas the HDC will drop flyers to neighbors and businesses surrounding the applicants proposed restaurant and relay all questions to the business owner; and

Whereas the HDC has supported similar requests from at least 10 restaurants in the past 5 years and believes there is precedent to support this request; and

Whereas the Highland District 15 Plan states under LU2.1 that the HDC should *Maintain and establish commercial areas with medium-sized spaces for retailers serving everyday needs (grocery, hardware, pharmacy) and smaller spaces to attract more independent shops and restaurants;* and

Whereas the applicant would like to focus on Japanese, Korean and Northern Chinese dishes and "bring in something fun and different for the Highland Park neighborhood"; and

Whereas the applicant assured the neighbors that the hours of operation of the restaurant would be 4-9 pm on weekdays and 4-10 pm on weekends, they will clean the outside area around the restaurant and they will meet all conditions recommended in the license; therefore

Be it resolved, that the Highland District Council supports the application of Potsticker to add a full on-sale liquor license, and extend that license to Sunday and the outdoor service area, for the establishment at 1214 Randolph Ave.
