Sound Level Variance Application

Legislative Code Chapter 293. - Noise Regulations Application and \$178 fee should be submitted a minimum of sixty (60) days prior to the event date to allow ample time for required public notification period and scheduling of a Council public hearing. Applications submitted within sixty (60) days of the event date may not satisfy the processing timeline requirements.

1. Organization/person seeking variance: Minny Festivals, LLC
2. Event Name: Minnesota Yacht Club
3. Address and physical description of noise source location (Event, Worksite): Harriet Island Regional Park, we will be playing music on two different stages from 12:00pm - 10:30pm.
4. Responsible person: Tim Sweetwood Title: Festival Executive
5. Telephone: 404-433-4585 E-Mail: tsweetwood@c3presents.com
6. Date(s) variance requested: July 19 - July 20, 2024
7. Noise source - Time(s) of operation: 12:00 pm - 10:30 pm on July 19 + July 20, 2024
- Time(s) of pre-event sound check: July 18, 2024 - 3:00pm - 9:00pm
8. Sound level requested (dBA/Decibels): 110 db(a) measured at 100ft from the source
9. Mailing address w/zip code: 1645 E. 6th Street Suite 150, Austin, TX 78702
10. Briefly describe the noise source and equipment involved: dnb J-Series or L'Acoustics K2 PA approx. 14 boxes per side. 3x delay towers with approx. 6 dnb J series boxes per tower.
11. Describe the steps that will be taken to minimize the noise levels: Including the delays on this system, allows for greater coverage resolution on the audience reduces the impact of the system. This will allow us to reduce the throw of the hang.
12. State reason for seeking variance (example - music, announcements, construction, etc.): We will be hosting a music festival in Harriet Island Regional Park on two different stages.
13. Maximum number of attendees: 35,000/ day
14. A site diagram & map must be attached showing location of noise source(s), streets, stages, tents, etc. (If there will be amplified sound, indicate location and direction that all speakers will be facing). **Multiple locations may require more than one application.**
15. Submit completed application, site diagram/map, and \$178 fee to:

Subject: Minnesota Yacht Club // Sound Variance Application
Attachments: MYC_Sound Level Variance Application[28].pdf; MYC_Sound Variance Application Map.png

Hi DSI,

Attached you will find the Sound Variance Application for Minnesota Yacht Club along with the map of where the stages will be located along with the locations of the speakers and tower delays. Please note that the map is a rough sketch as we are working diligently to get proposals from various vendors. We will submit the final location of the stages and speakers at a later date once we have secured a vendor for this.

I will call the Front Counter Staff to process a CC.

Please let me know if you need anything else.

Thanks,
Katharine

Project Manager
Minnesota Yacht Club
