5/30/24	tall grass and weeds	No	No	No	The tall grass and weeds were unfound. Closing file. AM	closed
5/31/24	Elevator has not worked in days, no communication from management. Common areas in building not cleaned	No	No	Yes	Walked the common areas of the property with office staff, nothing of note to indicate that common areas are not cleaned, no finding of any evidence to show otherwise - emailed MK regarding the elevator not working, staff notes that Schindler was out on Friday and the elevator is working again, asked MK to follow up - DJC	closed

6/5/24	alarm system issues stated by management the past few weeks. Power went out briefly due to weather. They are working on the issue. Missing keys on Kipling side and the alarm panel key on the Winthrop side	Yes	No	Yes	went to property - confirmed that fire panel is in normal state - talked to onsite office staff, they note that there have been ongoing issues with the alarm panel - unable to talk to manager as they were on a phone meeting - called manager this afternoon, manager confirms ongoing issues with panel, that contractor was out last week and could not replicate the issue, they are coming back out tomorrow to troubleshoot with a sensor tech - speculation is that it is a bad water flow sensor or another sensor - issued orders, emailed copy to manager and mailed hard copy - DJC	In process (7/5 reinspection)
7/2/24	common areas are not being cleaned, including Laundry rooms, hallways, stairwells all have trash and food on the floor. The whole complex has issues with cockroaches and mice. Doors in stairwells have gaps, underground garage door missing boards and has gaps. Elevator in building has not work since early June.	?	?	Yes	Photos uploaded 7/2, no orders as of 7/3/24	?
