Subject: Sound Level Variance for Grand Old Day
Date: Friday, April 26, 2024 2:30:43 PM

Dear Council Members,

I respectfully request that the band performing at the Red Rabbit for Grand Old Day perform on a stage with a sound-absorbing back to prevent bass sounds from reverberating across the alley behind the stage. This has had an enormous positive impact in past years.

Thank you.
Sincerely,

Sherelyn Ogden
