Subject: 1156 Lincoln hearing public comment

Hello,

I am a neighbor of 1156 Lincoln and I am writing to encourage the city to move forward with a demolition order. No significant work has occurred at the property since the fire and it was ill-maintained for months or years before that. My son's bus stop is at this corner and it was not shoveled all winter and vegetation was overgrown. The duplex is a safety hazard for the neighborhood and it needs to be resolved.

Thank you for your time.
