Looks like this person may be coming to appeal her assessment today. It's part of RLH AR 24-8. Is it too late to schedule her for a hearing for next Tuesday?

Subject: Assessment #248501

Dear to whom it may concern,

Hope this email finds you well.

Concerning the clean-up on private property 1220 Saint Clair during the time period of June 7 to June 30, 2023, I would like to submit objections and request a termination of the assessment.

The item that was cleaned up during the stated time period was a disposable Bagster bag, half filled with lawn waste from our yard. The Bagster bag was promptly removed from Saint Clair Ave to the private backyard area after receiving notice from the city. The Bagster was left as I was still clearing lawn waste from my property and utilizing the bagster to its full capacity load.

The bagster was picked up without notice while I was working and planning to have Waste Management schedule a pick up in the coming weeks.

On 1/17/24 there is a scheduled hearing that I will be present for. Please let me know if there are any additional details needed to resolve this matter.

Thank you for your time and consideration.

Sincerely,

--
