Hi Mai,

Just wanted to let you know we received a tax assessment appeal for 981 University Ave W, which is on the assessment roll for RLH AR 24-29 – Sept 19-Oct 22, 2023 Excessive Consumptions. It's scheduled for 10am on Tuesday, April 2 in Legislative Hearing. The amount is \$169.

The appellant's info is:

Name: Remi Iselewa (as I-Sunray Properties LLC)  
Phone: 651-399-9081  
Email: [riselewa@gmail.com](mailto:riselewa@gmail.com)  
8414 Savannah Oaks Ln, Woodbury, MN 55125

She said we should bill the previous owner, as she did not own the property at the time of the inspections. I told her about how assessments are tied to the property and that if she has an issue with the seller or her closing company not telling her about a fee or assessment, it would be a private matter between them. She still chose to appeal.

Thanks,
