Hello Mr. Yvain,

I am following up on a voicemail, Ms. Marcia Moermond, Legislative Hearing Officer, left you on February 21 at 10:49 a.m. regarding your tax assessment appeal. In your contested email, you indicated there was no clean up done on your property. I sent you an email back on Jan 19 explaining that the clean up was actually related to tall, grass and weeds. You also indicated you called Inspector Thao many times and left 4-5 messages. Ms. Moermond would like for you to provide the phone records you have of these calls so this can be discussed at the hearing on March 7 via telephone between 10 am and noon. Ms. Moermond has also asked that Inspector Thao provide the calls or voicemails, if any for the hearing.

You may submit the call logs via this email. Thank you.
