Think Before You Click: This email originated outside our organization.

It still couldn't get open it! Stop disturbing over and over again!!!

If you use the name of the law to lie, fabricate and deceive residents, but do not feel ashamed, then keep these photos and videos as evidence of false accusations against residents to the court and show them to the judge! Stop sending me nothings to maliciously harass the residents!!!!!!

As a city service department if you think that says lie cheating or fraudulent weak residents
