Good morning,

This email is to follow up on your March 5 Legislative Hearing. The Legislative Hearing officer recommended that your assessment be **deleted**, however please note this won't be reflected in the online assessment page until *after* the April 3 Council Public Hearing. After that it will be removed and you won't receive anything further about this assessment.

As mentioned in the hearing, some of what you are doing in your pollinator friendly yard is ok under current law, some is not. Below are some links you may find useful as the new growing season approaches:
