Re: Remove or Repair of the Structure at <u>378 SIMS AVENUE</u>

Dear Mr. Hart & Mr. Purtell:

This is to confirm that at the Council Public Hearing on February 14, 2024 the matter was referred back to Legislative Hearing on **Tuesday, March 12, 2024 at 9 am in room 330 City Hall/Courthouse** (if attending by phone between the hours of 9 and 11 am).

By no later than close of business March 7, 2024 you must:

- 1. submit evidence of financing sufficient to complete the rehabilitation. Staff estimates costs to exceed \$60,000. If total for bids are more than 20% less than staff estimate, a high level of detail will be required. Financing could be business or personal accounts, a line of credit, or construction loan. Other types of financing will be reviewed on a case-by-case basis;
- 2. submit an affidavit indicating the finances will be dedicated to completing the project and not diverted until a code compliance certificate is issued;
- **3. submit work plan, sworn construction statement, or scope of work.** This should include **signed** subcontractor bids which address <u>all items in the Code Compliance</u> <u>Inspection Report</u> and a <u>schedule</u> for completion of the project; and
- 4. the property must continue to be maintained.

Please let me know if you would like samples of these documents. Those items can be submitted to me at <u>Joanna.zimny@ci.stpaul.mn.us</u>. If you have any questions, please contact me at 651-266-8585

Sincerely,

/s/ Joanna Zimny Legislative Hearing Executive Assistant
