Dear Legislative Hearing Officer,

I am writing to object to the issuance of a liquor license requested by the Foundry Pub, License Number: 20230000060.

The reason I am objecting is because there have been multiple shootings and it is not safe for our little neighborhood. The crowd there is rowdy, rude and harmful to us. They use our houses as a hiding spot to shoot each other at the Foundry bar. Our neighbors have small kids that can hear gunshots at night and are wondering if it's safe to sleep.

It is to the point that at night, we don't dare to go outside because there might be someone hiding at our fence to shoot at the bar. When there is no parking left over at the Foundry, the crowd comes and parks at our block and trash the site. This has been ongoing for too long. Please help us keep our neighborhood safe. Please consider that you wouldn't want to raise your family in a neighborhood that is unsafe.

I would appreciate that my name and information be kept confidential in this hearing for the safety of my family.

Thank you for your time,

Tou
