Dear Interested Parties:

This is to confirm that at the Legislative Hearing on April 11, 2023 Legislative Hearing Officer Marcia Moermond continued the matter to Legislative Hearing on **Tuesday, April 25, 2023 at 9:00 am in room 330 City Hall/Courthouse for further discussion.**

**By no later than close of business Friday, April 21, 2023 the \$5,000 Performance Deposit must be posted.** This a basic requirement to continue discussing the matter and is refundable upon completion of the project, or should the property be demolished it can be request back in writing. I have attached the form for your reference.

**For your reference, the following items must (eventually) be completed before receiving a grant of time from the City Council to rehabilitate the property:**

1. apply for a Code Compliance inspection with the Department of Safety & Inspections  
The code compliance application must include lock box code and box must be attached to door for use;
2. If a third party is intending to rehabilitate the property, pending transfer of title, the contract used for this transaction will need to be approved by the Legislative Hearing

Officer. **Please note that title cannot transfer until the rehabilitation is complete and nuisance abated;**

- 3. submit evidence of financing sufficient to complete the rehabilitation.** Staff estimates costs to exceed \$100,000. If total for bids are more than 20% less than staff estimate, a high level of detail will be required. Financing could be business or personal accounts, a line of credit, or construction loan. Other types of financing will be reviewed on a case-by-case basis;
- 4. submit an affidavit indicating the finances will be dedicated to completing the project** and not diverted until a code compliance certificate is issued; and
- 5. submit work plan, sworn construction statement, or scope of work.** This should include **signed** subcontractor bids and a **schedule** for completion of the project; and
