Re: Appeal for Property at 1124 Matilda Street

Dear Mr. Livingston & Ms. Sobaski:

This is to confirm that on December 12th at the Legislative Hearing, Marcia Moermond recommended continuing the above-referenced matter to December 19th at 11:00 a.m. in Room 330 City Hall. Inspector will confirm if the principal violations are addressed. This includes the carbon monoxide alarm, proper capping of the bathroom fixtures under permit; removal of 50% combustible materials around the mechanical room and storage area and removal of the dryer(s); exposed wiring throughout and must be done under permit. If those items are addressed, you will need to provide a work plan to address the remaining items.

Any questions, you may contact me at 651-266-8563.

Sincerely,

/s/

Mai Vang
Legislative Hearing Coordinator
