Re: Rescheduling Remove or Repair of the Structure at 378 SIMS AVENUE

Dear Mr. Hart & Mr. Purtell:

This is to inform you that at the Legislative Hearing on December 19, 2023, Legislative Hearing Officer, Marcia Moermond continued the matter to Legislative Hearing on Tuesday, January 30, 2024 at 9:00 a.m. in Room 330 City Hall/Courthouse for further discussion. **However, we need to reschedule this to February 13, 2024 at 9:00 a.m. in Room 330 City Hall. Please let me know if this date doesn't work for you.**

If you wish to have materials reviewed and approved before the next hearing, you may submit ahead of time and if approved, the hearing on February 13<sup>th</sup> may not be necessary. The City Council Public Hearing is still on February 14, 2024 at 3:30 p.m. in Room 300 Council Chambers.

The following conditions need to be met in order for a grant of time:

- 1. submit evidence of financing sufficient to complete the rehabilitation.** Staff estimates costs to exceed \$60,000. If total for bids are more than 20% less than staff estimate, a high level of detail will be required. Financing could be business or personal accounts, a line of credit, or construction loan. Other types of financing will be reviewed on a case-by-case basis;
- 2. submit an affidavit indicating the finances will be dedicated to completing the project** and not diverted until a code compliance certificate is issued;
- 3. submit work plan, sworn construction statement, or scope of work with timelines for the repairs in accordance with the Code Compliance Inspection Report dated January 11, 2024.** The work plan should include estimates and **signed** subcontractor bids for completion of the project; and
- 4. the property must be maintained.**

If you have any questions, please contact me at 651-266-8563.

Sincerely,

/s/
