

**PARKLAND AGREEMENT FOR SCULPTURE PLAZA
BY AND BETWEEN
THE CITY OF SAINT PAUL
AND
SNELLING-MIDWAY REDEVELOPMENT, LLC**

THIS PARKLAND AGREEMENT (hereinafter "Agreement") is made and entered into this 14 day of March, 2024 (the "Effective Date"), by and between the City of Saint Paul, MN ("City"), and SNELLING-MIDWAY REDEVELOPMENT, LLC, a Minnesota limited liability company ("SMR" and collectively with the City called the "Parties" and each individually called a "Party").

ARTICLE 1

RECITALS AND STATEMENT OF INTENT

1.1 City and MUSC Holdings, LLC, a Minnesota limited liability company ("MUSC"), entered into the Development Agreement (as defined below) pursuant to which MUSC designed and constructed a professional soccer stadium (the "Stadium") and surrounding plaza areas and greenspaces (the "Stadium Site") and where Minnesota United Soccer Club, LLC, a limited liability company ("MNUFC") and a wholly-owned subsidiary of MUSC, plays its Major League Soccer ("MLS") home games in the Stadium.

1.2 SMR desires to redevelop the Snelling Midway superblock in Saint Paul, Minnesota surrounding the Stadium. The redevelopment will be called United Village. As part of the first phase of United Village, SMR wishes to design and construct certain commercial and retail improvements, structured and surface parking to serve the improvements, a sculpture plaza and a playground area.

1.3 SMR desires to plat the land upon which United Village would be constructed and operated and therefore, pursuant to Saint Paul Legislative Code Chapter 69 a preliminary plat application by SMR was made to the City for the said land which was approved by the City for the land described therein on September 20, 2023 in Council File No. RES PH 23-227.

1.4 The City previously approved the Midway Snelling Master Plan (the "Master Plan") for the 34.5 acre Snelling Midway superblock that includes the Stadium Site and United Village on August 19, 2016 in Council File No. RES PH 16-252.

1.5 SMR has proposed public improvements for a sculpture plaza on Outlot A (0.72 acres) in Exhibit "A" hereto (the "Park") which is the subject of this Agreement between the City and SMR which has the land rights to Outlot A.

1.6 The preliminary plat approval contained various conditions including a requirement that no less the 0.72 acres of land for the Park be dedicated and perpetually operated as

privately-owned public space pursuant to the requirements of Saint Paul Legislative Code §69.511(c) and that this Agreement be entered into by SMR and the City.

1.7 The Saint Paul City Council has sole discretion to determine to waive all or a portion of the land dedication required under subdivision (a) of Legislative Code §69.511 and has determined to waive the land dedication requirements under subdivision (a) of Legislative Code §69.511 for the development of United Village in consideration of SMR entering into an agreement for the private development and/or maintenance of land for public use for parks, recreation facilities, wetlands, trails, or open space within the proposed plat, subject to certain conditions as outlined in this Agreement for the Park.

1.8 SMR intends to fulfill said dedication requirement on Outlot A (0.72 acres) in Exhibit "A", through this Agreement and, when filed, a covenant running with Outlot A pursuant to Saint Paul Legislative Code §69.511(c) when such covenant is executed, delivered and filed as provided in Section 6.2.

1.9 This Agreement is being entered into by SMR and the City to fulfill certain requirements of Legislative Code §69.511(c) for the private development and maintenance of Outlot A as a Park.

1.10 The Parties acknowledge that SMR has arranged to install a large iconic sculpture (the "Sculpture") as the centerpiece of the Sculpture Plaza and that the Sculpture is on loan from a private party. In the event the owner of the Sculpture decides to remove the Sculpture from the Sculpture Plaza, SMR may propose that other land within United Village be substituted for the Sculpture Plaza, to satisfy the park dedication requirements for United Village subject to provisions of applicable law including the Saint Paul City Charter and the Saint Paul Legislative Code. The City's Department of Parks and Recreation will work with SMR to assist in advancing any required processes.

NOW, THEREFORE, the City and SMR enter into this Agreement as follows:

SMR will not cause someone to be removed from the Park who is lawfully exercising their First Amendment rights.

5.2 Permitting Policy. SMR must have in place a policy for the issuance of permits for use of the Park. The policy must include, but not be limited to the uses permitted, what activities are not allowed, a fee schedule if any fee will be charged, the basis for revocation of permits, and the time by which applications must be submitted for consideration. City shall review and approve (which approval will not be unreasonably withheld, delayed or conditioned) the policy which will be attached as Appendix A to this Agreement. This

provision is not intended to impose an affirmative duty on SMR to allow any specific private uses of the Park by the public.

5.3 Rights of SMR. SMR shall have, (a) the exclusive Naming Rights (as defined in the Use Agreement) for the Park and the right to include recognition of the naming rights sponsor in the Park, subject to SMR complying with the guidelines attached as Exhibit J to the Use Agreement in selecting the naming rights sponsor for the Park and promptly notifying the City of the identity of the naming rights sponsor for the Park, and (b) the exclusive right to determine any programming in the Park, provided that the City's ordinances and regulations with respect to permitting and fees shall apply. SMR shall retain all revenues and other benefits payable or to be provided by the naming rights sponsor for the Park. SMR shall post signs which identify the hours of use of the Park and contain such other information regarding access to the Park by the public as the City and SMR determine necessary to communicate public access. SMR shall have the right to display a sign no larger than four feet by four feet providing the name of the Sculpture, the name of the sculptor, and background information on the Sculpture and the sculptor in such location on the Park as SMR reasonably determines.

5.6 Stormwater and City Water Systems. Code §69.511(c)(4). In the event that the City Council determines that the Park is not being so used, parties shall meet to determine whether SMR will be able to comply with the requirements for public use going forward or if ownership of the Park will transfer to the City.

ARTICLE VI

COVENANT FOR USE OF LAND AS PARK

6.1 Dedication of parkland through the privately owned public spaces is accepted by the City upon the condition that the specified land be developed and maintained by the owners, subdividers, or developers, and any and all successors in interest thereof, of any type whatsoever, which includes, but is not limited to heirs and assigns, for the purposes listed in Saint Paul Legislative Code 69.511, subdivision (a). SMR hereby binds its affiliates and successors in interest to the requirements for use of the Park.

6.2 Consistent with Saint Paul Legislative Code §69.511 SMR must provide a recordable covenant running with the Park land indicating the purposes for which the Park may be used and that ownership of the Park will transfer to the City in the event of failure to maintain the Park for public use in accordance with the terms of this Agreement. The City acknowledges that SMR has a long-term lease on the Park land and intends to acquire fee title to the Park land but SMR is not currently the owner of the Park land. SMR covenants and agrees that once SMR or an affiliate of SMR becomes the fee title owner of the land where the Park is located, SMR will promptly cause the Recordable Covenant to be executed, delivered and filed of record. Unless and until SMR has recorded the Recordable Covenant, SMR agrees to pay in accordance with Section 9.2 the City a greenspace dedication fee in the amount of \$1,094,030.00 together with annual interest at the rate of 5.5% (the "Termination Fee") in the event the City terminates this Agreement due to an Event of Default (as defined below).

6.3 Parties agree that this Agreement will be filed and recorded promptly following upon execution but in no event later than filing of the Plat, and shall serve as the Recordable Covenant until SMR or an affiliate has become fee title owner and filed a separate Recordable Covenant to replace this Agreement of record.

6.4 In the event of a termination of this Agreement after SMR or an affiliate has acquired fee title to the Park, SMR shall be required at the City's election either to pay the greenspace dedication fee in the amount specified in Section 6.1 or to cause the Park to be transferred by limited warranty deed from the fee owner of the Park to the City.

ARTICLE VII

INSURANCE AND INDEMNIFICATION

7.1 SMR shall defend, indemnify and hold the City and any of its officers, agents and employees harmless from any claims, damages, or causes of action arising from the construction, maintenance, use and operations of the Park, except as may arise from the failure of the City to comply with its obligations under this Agreement.

7.2 SMR shall provide at its own cost and expense, liability insurance covering the Park naming the City as an additional insured thereon. Insurance shall cover injury to persons or property in an amount not less than \$1,500,000 per occurrence, and \$2,000,000 aggregate. SMR shall be obligated to maintain such coverage in full force and effect at all times.

7.3 SMR shall obtain property damage insurance covering the Park in an amount which will pay for restoration or replacement of the Park in the event of major damage or destruction.

"961-9657, as amended) (collectively, the "Hazardous Substances"). The foregoing indemnity relates to any Hazardous Substance allegedly generated, treated, stored, released or disposed of, or otherwise placed, deposited in or located on or in the vicinity of the Park, as well as any activity claimed to have been undertaken on or in the vicinity of the Park that would cause or contribute to causing (1) the Park to become a treatment, storage or disposal facility within the meaning of, or otherwise bring the Park within the ambit of, the Resource Conservation and Recovery Act of 1976 ("RCRA"), 42 U.S.C. '691 *et seq.*, or any similar state law or local ordinance, (2) a release or threatened release of toxic or hazardous wastes or substances, pollutants or contaminants, from the Park within the meaning of, or otherwise bring the Park within the ambit of, CERCLA, or any similar state law or local ordinance, or (3) the discharge of pollutants or effluents into any water source or system, the dredging or filling of any waters or the discharge into the air of any emissions, that would require a permit under the Federal Water Pollution Control Act, 33 U.S.C. '1251 *et seq.*, or any similar state law or local ordinance. Further, SMR indemnifies the City with respect to the existence of any substances or conditions in or on the Park that may support a claim or cause of action under RCRA, CERCLA or any other federal, state or local environmental statutes, regulations, ordinances or other environmental regulatory

requirements, including without limitation, the Minnesota Environmental Response and Liability Act, Minnesota Statutes, Chapter 115C.

ARTICLE VIII

If the default reasonably requires more than thirty (30) days to cure, such additional period of time shall be granted provided that the curing of the default is promptly commenced upon receipt by SMR of the notice of the default, and proceeds thereafter continuously to completion and is completed within a reasonable period of time. Any such extension in time must be reduced to writing.

No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power nor shall such delay or omission be construed to be a waiver thereof. In the event that the City is required to bring action to enforce the provision of the Agreement it shall be entitled to recovery of all of the costs of litigation including reasonable costs, disbursements and attorneys' fees, if the City is the prevailing party.
