Hello Mr. Yvain,

Per our phone conversation last Friday (March 10) and Ms. Zimny's email to you dated March 9, 2023, the Legislative Hearing Officer is going to recommend approval of your assessment. I have indicated that if you want Ms. Moermond to review your voicemail messages to Inspector Nhia Thao, please provide those to her before the March 22nd public hearing. If we don't have anything from you up to the public hearing, her recommendation stands. You may contest further to City Council on March 22 as described in Ms. Zimny's email to you. Note, that we asked Inspector Thao for the same information and he stated he didn't have any voicemails or calls. Only a call from Cal Xiong (probably previous owner). I have attached here.
