Note of Appeal of orders dated 04/05/2023, post marked 04/05/2023 and received 04/10/2023.

We are appealing the following Orders for the 04/05/2023 inspection at 540 Charles Avenue, Saint Paul, MN 55103:

Order #2 section 3 (front retaining wall in front of property is in disrepair.)

Issue: The home was built in 1880, the 1st streets and side walks were not installed in St Paul until 1883 and after. The retaining wall in questions is within the right of way and was installed by the City of St Paul at some point to allow for sidewalks to be installed. Said Retaining wall is the property of Saint Paul and should be maintained or replaced by the City of Saint Paul.

Case Law: Elizabeth Howell vs City of Minneapolis 03/05/2021 Case 24-CO-21-1438

Order #4 section 1 & 2 (Rear sidewalk and Patio)

Issue: The rear sidewalks and patio have been in near the same condition since purchasing the property in 2005. The property has been inspected some 4 or more times and this is the first time this has been a concern. Additionally, the amount of time that was given to make repairs is

not enough time due to seasonal restraints and the ability to find, secure bids and hire the appropriate contactor, then to get them do to the work itself can be a wait as this is the prime-time season for this type of work. This is an undue financial burden upon us to require this work to be done at all.

Additionally, with all orders being given a May 8th, 2023, deadline, is not the date that was given verbally by Hector Caballero on the day of inspection. I was informed that all orders on the exterior would be by at least June 1st of each year. We request that all remaining orders be pushed out to July 31st, 2023.

Sincerely,

Chrisotpher Petersen
