The West Side

Home to Saint Paul's most active Latino community, Saint Paul's West Side is filled with fantastic restaurants and the best river views in town.

Across the Mississippi River from Downtown Saint Paul, the West Side is known for long-established Mexican eateries in the vibrant District del Sol, which hosts exuberant annual Cinco de Mayo celebrations. Sightseeing cruises depart from riverside Harriet Island Regional Park, site of regular summer events. At nearby Wabasha Street Caves, visitors can tour limestone caverns used by Prohibition-era gangsters.

After the destruction of commercial buildings on the flats in the early 1960s, the intersections of Concord with State and Robert Streets became the retail center of the West Side. It also became progressively more Mexican. Some businesses, such as El Burrito Mercado and Boca Chica Restaurant, have prospered long enough to become city landmarks and have paved the way for the many other "mom and pop" restaurants, bakeries, and shops along the corridor.

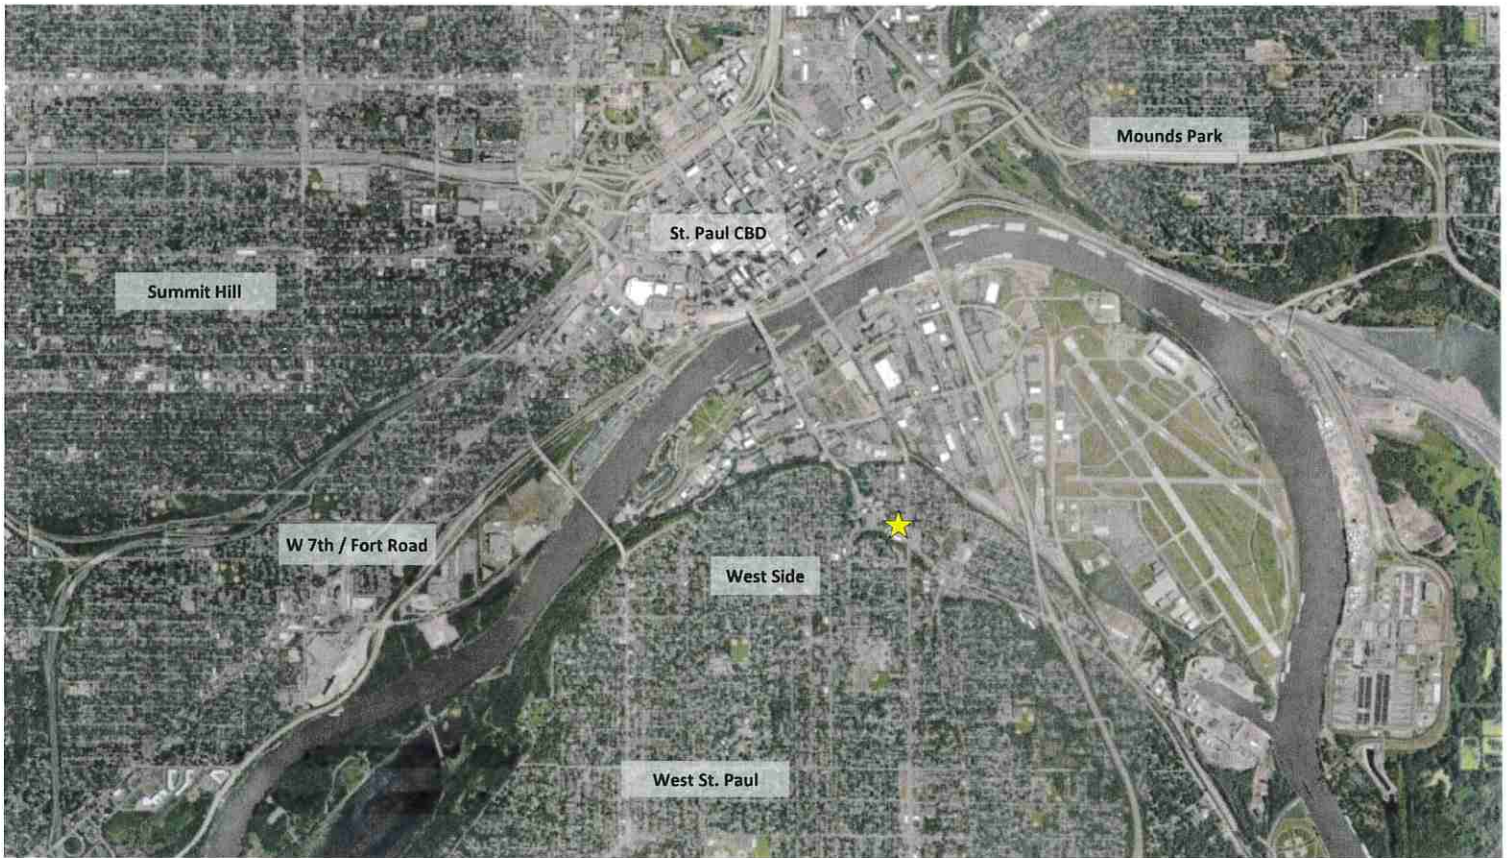

Other old-time neighborhood landmarks include Our Lady of Guadalupe Church (Concord and Highway 52) and Neighborhood House, the once humble settlement house for Eastern European Jews, transformed now into the magnificent new Wellstone Center. The church and Neighborhood House have been instrumental in holding the social and spiritual community together over the years.

T2 traditional neighborhood district.

The T2 traditional neighborhood district is designed for use in existing or potential pedestrian and transit nodes. Its intent is to foster and support compact, pedestrian-oriented commercial and residential development that, in turn, can support and increase transit usage. It encourages, but does not require, a variety of uses and housing types, with careful attention to the amount and placement of parking and transitions to adjacent residential neighborhoods.
