Dear Mai,

The City received a public information request from you on February 16, 2024. You requested:

I am requesting police report for a boarding at 1028 Lawson Ave E on 10/18/23.

The City reviewed its files and determined there are no responsive data to your request from this department/unit. If your request contained multiple types of data, it is possible you will be contacted by other departments/unit with information. Please read your emails carefully.

If you have any questions or wish to discuss this further, you may contact my office at 651-266-5700. No other record regarding this incident has been found only the related report which is under Active investigation.

Sincerely,

William Kramlich
