Thanks John. I know the crisis has hit business owners particularly hard and I'm urging DSI to suspend payments of all license and penalty fees until the current crisis has passed. Please reach out to CM Thao on this issue as he will be the one making the initial motion on this issue on April 1.

Best,
Rebecca

Rebecca

A combination of outrageous & illegal city actions, this fee, and the virus add up to the Commodore having essentially no chance of ever reopening.

Could you try to see if the other council members will delay indefinitely the payment of this fee until and if the Commodore reopens and can pay it.?! .

I was looking at an appeal but the health crisis has consumed my attention. **The Commodore needs to pay its employees, and not this obscenity – there is not money for both .**

Thank you for any help you can give me.

Mr. Miller –

A resolution suspending all licenses held by The Commodore for failure to pay the matrix penalty fine and fees imposed under RES PH 20-12 is set before Council on April 1, 2020. If Mr. Rupp pays these fees before this date the resolution will be withdrawn.

Please let me know if you have any questions or concerns.

Thank you – Therese
