This Public Right-of-Way Easement ("Easement") is made as of the 17 day of April, 2025, by **Shiloh Missionary Baptist Church**, a Minnesota nonprofit corporation ("Shiloh Church") in favor of the **City of Saint Paul, Minnesota**, a Minnesota municipal corporation (the "City").

### RECITALS

WHEREAS, Shiloh Church is the fee owner of the real property described in Exhibit A, attached hereto (the "Property").

WHEREAS, Shiloh Church desires to grant to the City an easement over portions of the Property as depicted and described in Exhibit B – Kent Street Easement and Exhibit C – Mackubin Street Easement, attached hereto (the "Easement Areas"), in accordance with the terms and conditions contained herein.

### TERMS OF EASEMENT

1. Grant of Easement. For forty-two thousand and 00/100 dollars (\$42,000.00) and other good and valuable consideration, the receipt of which is acknowledged by Shiloh Church, Shiloh Church grants and conveys to the City a perpetual non-exclusive easement over the Easement Areas for public right-of-way purposes, subject to the terms and conditions hereof.

2. Scope of Easement. The Easement gives the City, its contractors, agents, and employees the right to access, locate, construct, operate, maintain, alter and repair public improvements within the Easement Areas. The Easement also includes the City's right to cut, trim, or remove from the Easement Areas any trees, shrubs, or other vegetation as in the City's judgment unreasonably interfere with the Easement or improvements of the City. The City will replace public trees in the right-of-way as necessary, consistent with the City's general practices for replacing right-of-way trees, and will not impact any private trees on Shiloh Church's property. The City or its contractor will maintain newly planted trees for one-year, consistent with the City's general practices for maintaining newly planted trees. Location and species will be determined by the Forestry Division of the City's Department of Parks and Recreation. The City will also remove Shiloh Church's east entrance/exit gate at Mackubin Street and compensate Shiloh Church for its cost to relocate the gate to approximately 10 feet west of its present location and outside of the newly-established right-of-way line.

3. Covenants of Shiloh Church. Shiloh Church covenants that it is well seized in fee of the Property, and has good right to sell and convey the same, free of all encumbrances but subject to matters of record. Shiloh Church covenants that the above-granted Easement is in the quiet and peaceable possession of the City, subject to matters of record. Shiloh Church will warrant and forever defend against all persons lawfully claiming the whole or any part thereof, subject to matters of record.

4. Shiloh Church's Use. Shiloh Church reserves the right to use the Easement Area in a manner consistent with the rights herein granted, provided that such use shall not interfere with

or disturb the public's use of the Easement Area for sidewalk purposes or the City's rights outlined in Section 2.

5. Binding Effect. The terms and conditions of this instrument shall run with the land and be binding to the fullest extent of the law and equity on Shiloh Church, its successors and assigns for the benefit of the public. The Easement shall remain in effect without limitation as to time.
