Mai,

494 Curfew St. (Paul Martin) is on the agenda for Tax Assessments next Tuesday, June 16<sup>th</sup>. (Project J1506E, Assmt. 158308.)

I should have deleted this one, but didn't get around to it. Involves a sump pump hose, where I told the owner I would delete the EC if he corrected it. He did, but I didn't delete the EC in time.

Could the Agenda reflect this Assessment should be deleted?

Thanks!
