Dear Saint Paul Property Owner,

You are receiving this letter because you have indicated to the City that you believe the delinquent charge for garbage services at your property 542 OHIO ST is in error. We have reviewed your request and have determined that the charge for your garbage service was not made in error. The following is the reason for the charge.

REASON FOR CHARGE:

Under citywide garbage service, all residential properties with up to four units, including rental homes and townhomes, are required to have a garbage cart and receive garbage service for each dwelling unit. You must provide garbage service for all occupied dwellings. There is no option to opt out of the citywide garbage service.

Chapter 220 of the Saint Paul Code of Ordinance states that:

- Each Residential Dwelling Unit shall be billed for all trash collection costs
- Failure to pay for services shall result in the special assessment of the costs of those services, along with any applicable fees, penalties or administrative costs against the real property on which the Residential Dwelling unit is situated

OPTIONS TO PAY YOUR BILL
