*Disregard my email just sent. I believe what vVector cleaned up was what in the truck, correct? Can you tell me if the furniture were in that truck? See my attachments sent yesterday.*

I talked to someone to chsnge the date because I live in Chicago. They were not sure when the next date would be but I would be given one once the pictures were emailed. The person responsible for taking the pictures was out of town. So that is why they were sent now.

*Ms. Moore,*

*Per our conversation back on March 2nd or prior, you mentioned about sending in a email for your appeal. That email was not received for the hearing on March 24 so the hearing officer recommends approval of the assessment.*
