Dear Property Representative:

Your building was determined to be unoccupied on November 20, 2020. Since certificates are for the occupancy of buildings, it has become necessary to revoke the Certificate of Occupancy.

Saint Paul Legislative Code provides that no building shall be occupied without a Certificate of Occupancy. In order to re-occupy the building, the following deficiencies (if applicable) must be corrected and a complete Certificate of Occupancy inspection will be required.

### **DEFICIENCY LIST**

1. SPLC 40.06 - Uncertified portions of the building must not be occupied until inspected and approved by this office.-Contact inspector prior to reoccupying.

Saint Paul Legislative Code authorizes this inspection and collection of inspection fees. For forms, fee schedule, inspection handouts, or information on some of the violations contained in this report, please visit our web page at: <http://www.stpaul.gov/cofo>

You have the right to appeal these orders to the Legislative Hearing Officer.
