MEMORANDUM

TO: Bill Wilson
FROM: Phil Byrne *PBB*
DATE: June 1, 1989
RE: Private Clubs

Here is a draft ordinance for your review. It provides as follows (in summary description):

- Section 1. It re-defines "club" to include the additional restrictions imposed by state law on the on-sale licensing of clubs to sell hard liquor. None of the conditions should be a problem for established clubs.
- Section 2. The club fee is limited by state law, e.g., \$300 annual fee for a club with under 200 members; \$500 for a club of 201-500 members; and so on. Sec. 340A.408.
- Section 3. Prohibits sales to nonmembers, as mandated by state law.
- Section 4. Exemption from "anti-concentration" language, for grandfathering.
- Section 5. A club switching from club to on-sale license is grandfathered at its present location.
- Section 6. No new private club licenses issued after January 1, 1990; no renewals of licenses terminating in 1990.
- Section 7. Chapter 404 (private club licenses) is repealed January 1, 1991.
- Section 8. Definition of club for 3.2 licenses.
- Section 9. Grandfathering for 3.2 licenses replacing club licenses.

- NOTE:
- A. In each case, the new on-sale licenses will be subject to all regulations, including gambling and charitable gambling, which apply to other licenseholders.
 - B. The 3.2 license does not restrict sales to members, because state law does not.
