Subject: License Number 20120001127 - 323 Maria Avenue, St. Paul

As homeowners, taxpayers and residents of this community, we are totally opposed to the issuance of this license.

We do not need more toxins, ground water contamination, traffic, noise, etc. this business would involve.

This is a residential neighborhood, and we would like to keep it this way. This is not an industrial neighborhood, and we want to keep it this way.

Our opposition to this license includes:
