Joanna,

Thanks for forwarding this notice. We are getting quotes for debranding and will keep Ms. Moermond apprised.

I have confirmed that Burger King's local vendor has experienced delays in obtaining a black vinyl-coated fence as requested by the City. The temporary above-ground fence has been installed in the interim to ensure control of the site and has been successful in eliminating illegal dumping. Burger King understands the importance of getting it done and they are considering all options, including painting the fence if necessary. We will provide an update on timing as soon as it is available.

I can be available remotely if necessary. Please let me know if anything changes.

Thank you,

Jake

Thanks, Joanna. I'm working on an update from our vendor. We do have the temporary fencing in place while they confirm their ability to replace with vinyl coated.

Good afternoon Mr. Steen,

No, I don't anticipate this being pulled. Below is the resolution going before the Council tomorrow

(apparently amended in the future ). I think at most Ms. Moermond would like an update on the status of the coated-vinyl fence before the hearing? That is what was discussed at the December hearing. I just checked the records, and I don't see any code violations so don't foresee any issues there.

I did want to note too, there was a letter sent on : DSI Misc: Enforcement letter - sign violation Burger King - Sent:12/27/2022 11:36:05 AM

Unfortunately I'm unable to open that PDF in the system, so I can't see what it entails or who it was sent too. It does list staff as Kaozouapang Yang who can be reached at +1-651-266-9057 if that's something you aren't aware of and wanted to follow up with. All it says that I can see is says "sign in still up". Let me know if you need a supervisor contact. That's a zoning issue.
