Dear Ms. Huseby:

I am confirming my voice mail message to you of this morning in which I suggested that you proceed with the reinspection of 752 Carroll Ave. scheduled for December 20, and we push back the revocation appeal hearing scheduled for December 18. My client, James Cannon, Jr., anticipates that the issues you identified in your December 4 revocation will be resolved before December 20. If that is the case, then we will not need to have a hearing.

Can we count on the December 20 reinspection going forward so that I can have the hearing date pushed back?

I look forward to your response.

Sincerely,

David L. Shulman
