Re: License # 20060003113  
Taxicab Vehicle: 585

Dear Licensee,

The above referenced Taxicab Vehicle License expired 11/22/2010 and the renewal requirements have not been satisfied. This vehicle's 2011 license sticker is still in the Department's possession and the taxi may not solicit passengers in the City of Saint Paul.

Section 376.12 of the Saint Paul Legislative Code requires/states that any taxicab owner shall submit each and every licensed taxicab to an annual inspection. The most recent Mechanical Inspection on file for this vehicle is dated 12/26/2008.

A current Mechanical Inspection, a balance of \$600.00 in license fees, and a completed Workers' Compensation form (see enclosed) must be submitted prior to May 4, 2011. If not in compliance by that date, your license will be forwarded to the City Attorney's Office for revocation.

I have enclosed a copy of above referenced license conditions and/or Sections of the Saint Paul Legislative Code. If you have questions regarding this matter or wish to request additional information, I may be reached at [tom.ferrara@ci.stpaul.mn.us](mailto:tom.ferrara@ci.stpaul.mn.us) or 651-266-9087.

Sincerely,

Tom Ferrara  
Inspector, DSI Licensing
