So if I'm understanding you right they trimmed the wrong side? And I need to remove the vegetation in the alley?

Hello Ms. Quade,

Ms. Moermond is going to recommend deletion of your assessment on the summary abatement to remove overgrown vegetation impeding public right of way which was heard on November 20th. This was a work order to remove overgrown vegetation in the alley, not the boulevard. The boulevard trees would have been cut by Forestry and NOT your responsibility.

If you don't wish to contest to this recommendation, there is no need to attend the public hearing on January 9 at 3:30 p.m. in Room 300.

Thank you!
