Inspection Type: Restaurant Inspection

Inspection: 12103028

Inspection Date: October 24, 2012

Contact Person: CHA XUE LEE

DRAGON EXPRESS UNIT 5
HMONG VILLAGE
1001 JOHNSON PKWY UNIT 5
ST PAUL MN 55106

Inspection results for:

DRAGON EXPRESS UNIT 5 HMONG VILLAGE 1001 JOHNSON PKWY UNIT 5 ST PAUL MN 55106

This inspection was a partial review of your facility. Any deficiencies identified were only those noted during this visit. There may be remaining prior deficiencies that also require correction.

An inspection of your facility found the following deficiencies. Please make the required corrections on or before the compliance date(s) indicated. If any of the corrections require changes to the physical structure, building permits may be required. Your establishment is subject to inspection at any time.

REINSPECTION FOR CRITICAL VIOLATIONS. ASSISTED BY FONG LOR.

CONDITIONS:

Due to the size of the establishment including the limited amount of preparation/display equipment, storage and support areas the menu for this establishment shall be limited to no more than a total of six (6) potentially hazardous food items that are prepared, stored and/or served at the same time.

All food must be obtained from approved commercial sources.

Food or food ingredients cannot be prepared or stored in a home, residence, garage or any other location that is not licensed as a food establishment.

ALL FOOD AND FOOD INGREDIENTS MUST BE DELIVERED DIRECTLY TO THE FOOD ESTABLISHMENT BY APPROVED LICENSED FOOD DISTRIBUTORS.

ALL FOOD OR FOOD INGREDIENTS MUST BE TRANSPORTED IN APPROVED LICENSED FOOD VEHICLES. Food vehicle requirements are available at www.stpaul.gov/eh 'Food Safety & Sanitation' 'Food Related Licenses'

Potentially hazardous hot foods not being maintained at proper temperatures. PER CITY ATTORNEY'S OFFICE, FINE HAS BEEN PAID AND REINSPECTION HAS BEEN REQUESTED. EGG ROLLS 123 F, SAUSAGE 109 F, CHICKEN 96 F. ALL ITEMS REMOVED FROM UNIT AND DISCARDED. DER XIONG IS PERSON IN CHARGE TODAY. CITY ATTORNEY'S OFFICE NOTIFIED OF NON-COMPLIANCE.

Maintain all hot, potentially hazardous foods at 140 degrees Fahrenheit or above to prevent bacterial growth and/or toxin production. Roast beef may be held at 130 degrees Fahrenheit if cooked in accordance with specified time and temperature requirements. (MN 4626.0395)

Comply by: **09/02/2012** Notice #: 3
Severity: **CRITICAL (Major)** Status: Unabated

CRITICAL DEFICIENCIES: Deficiencies with a Severity of CRITICAL are MORE LIKELY to contribute to food contamination, illness, or environmental degradation.

NONCRITICAL DEFICIENCIES: Deficiencies with a Severity of NONCRITICAL are LESS LIKELY to contribute to food contamination, illness, or environmental degradation.

ALTERATIONS: Before an existing establishment is altered, detailed drawings and equipment specifications must be submitted and approved by this office. THIS MUST BE DONE BEFORE CONSTRUCTION BEGINS.

CHANGE OF OWNER OR MANAGEMENT: Before a change in ownership or management, this establishment must be brought into total compliance with the Saint Paul Food Code. An evaluation must be made by the DSI Division of Environmental Health to determine if remodeling or equipment changes are necessary before the required transfer can be approved.

EQUIPMENT INSTALLATION: All newly installed equipment must be NSF approved or equivalent. Contact this office for further information.

-----NOTICE----- FOR SAINT PAUL LICENSED BUSINESSES ONLY
The failure to correct the violation(s) in this report may result in a referral being sent to the Department of Safety and Inspections (DSI), License Division Manager requesting adverse action against your license. Adverse action can include a fine, license suspension and/or license revocation.

If you have any questions regarding this inspection, feel free to call the inspector @ 651-266-1908
