Mr. Magner,

This property just went before the City Council last week, and it was resolved that the nuisance(s) need to be abated within 15 days – otherwise a demolition/razing can be pursued by the City.

I'm sending this e-mail to inform the City that my client (JPMorgan Chase Bank) has hired Rayco Excavating to complete the demolition of the property without the need for further enforcement by the City.

I've been advised that pre-demolition items have begun, and that asbestos survey samples are being tested early this week.

I have not been given the estimated completion date, but I hope it will be completed within the 15 day time-frame. Please confirm that the City will allow my client's contractor to complete its demolition without further involvement/penalties, even if it ends up being completed outside the given timeframe (presuming that the completion date is reasonably close).

Thank you,

John
