Dear Mayor Coleman,

Thank you for your proposal to the Catalyst Fund of the Central Corridor Funders Collaborative dated December 30, 2011 seeking funding for a Saint Paul Streetcar Feasibility Plan.

Congratulations! The Catalyst Fund members had an opportunity to review your proposal at our recent meeting and approved your request.

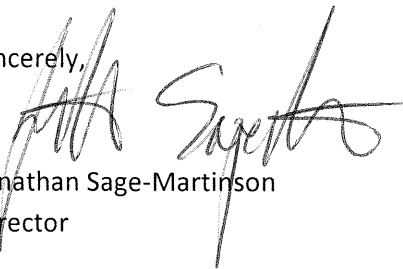

You will receive all of the necessary paperwork regarding the grant from The Saint Paul Foundation in the near future.

As you undertake the Streetcar Feasibility Plan, the members of the Funders Collaborative are especially interested in your intent to include a detailed financing plan, including the potential for private investment in one or more streetcar lines. Members are also interested in how potential streetcar lines will connect to and serve low income residents.

Congratulations again!

Please let me know if you have questions and good luck with the study.

Sincerely,

Jonathan Sage-Martinson  
Director
