Memo to Record of 758 Maryland Avenue East April 3, 2012 hearing

Re: Possible Fraudulent submission of the evidence submitted by the City of St. Paul

My name is Mary Kaye. I work for Raven Financial, LLC and represent them for the purposes of the April 3, 2013 hearing regarding 758 Maryland avenue east. The attached photos were submitted by the City of St. Paul for public record in March of 2013 in the matter of nuisance abatement.

I am submitting this information to contest the legitimacy of these photos. They are extremely old files and they were modified to appear as though they are the current condition in order to use them for this hearing.

They were not taken on the date listed. They are extremely old pictures which have been modified and relabeled by or for the city in this matter. The pictures no longer apply. These pictures had been cut and pasted into Microsoft Word and labeled by hand.

I am the only individual with keys or access to the building. I am the only one with the current key and code to the key box. These pictures are labeled as being taken on December 6th of 2012. That was my birthday; I did not give the city access to the building on this day.

Every picture has an original date and time stamp which is added by the imaging equipment when it is taken. This stamp automatically appears in a very light red in the right hand corner of the picture these dates are missing. Also please note that these were taken out of their original editing software, they were cut and pasted into Microsoft Word and relabeled for the date. This is evidenced by the fact that the label at the top of each page is typed in the Microsoft Font Times New Roman, Boldface and font size 15. Here is the sample I typed below. All of Microsoft fonts are copywrited and can only be found in Microsoft editing software.
