**RE: TRASH BILLS**

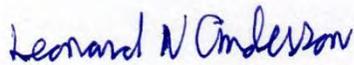

Dear Ms. Moloney:

**PROBLEM:** Trash Service billing errors, in over 1 year the City and Waste Management have failed to deliver a correct bill. I have wasted my time addressing the City Council, Marcia Moermond and writing letters to the City, which are never answered in a manner that corrects the problem of incorrect billing.

**SOLUTION:** Cancel my January 14, 2020 appointment until after some smart, responsible person from the City sends a correct and accurate bill for the waste pickup service that I have NEVER used. Furthermore, please see attached letters to and from Dr. Quebral regarding my health problems that are made worse by the stress of dealing with the City of St. Paul which is extremely stressful and damaging to my health.

Thanks for all your help and kindness which is greatly appreciated!

Sincerely,

Leonard N. Anderson
