Hey Greg

The PO at this property wants to dispute the Quarter 2 charges at a legislative hearing. They state they did not live there yet so service was not needed. Can you confirm if there were any garbage or yard waste pickups at this address in April, May or June?

Thank you

Jillian

CC: Jillian Barden [jillian.barden@ci.stpaul.mn.us]

I did the YW all summer.

The previous people had a 90 trash and a YW cart. Neither was out for those three months.

Our system does not make it easy for a driver to know if someone moved out and someone else moved in.

The new people have a 30 trash.

I think it would be the correct thing to do would be drop the 2Nd quarter charges.

To: Greg Bain

Have they used YW at all this year?

Greg Bain via email November 7, 2025 at 04:44

To: Jillian Barden

Not while I did the route. I never dumped the cart all summer.
