

STANDARD LEASE

THIS LEASE is made this _____ day of _____, 20____, between THE POINTE OF SAINT PAUL CONDOMINIUM ASSOCIATION, hereinafter called “**LANDLORD**,” and THE CITY OF SAINT PAUL, hereinafter called “**TENANT**.”

1. WHEREAS, LANDLORD operates and administers THE POINTE OF SAINT PAUL CONDOMINIUM ASSOCIATION, located at 78 10th Street East, Saint Paul, MN 55101 (the “Condominium Property”).

2. AND WHEREAS, TENANT has requested that LANDLORD lease portions of the Condominium Property to TENANT to permit it to erect, operate, and maintain transmitting and receiving antennas and equipment as required by TENANT on portions of the rooftop and penthouse of the Condominium Property, being more particularly described and depicted on **Exhibit A** included in this Lease.

3. AND WHEREAS, LANDLORD has agreed to lease the **Leased Premises** depicted on **Exhibit A** to TENANT subject to the terms, covenants and conditions of this Lease.

4. WITNESSETH that in consideration of these recitals and the mutual covenants and agreements contained herein, the Parties agree with each other as follows:

TENANT, its agents or contractors, are hereby granted the right, to enter upon the Leased Premises, to build, construct, study, test, evaluate, maintain and operate the Equipment. None of these activities shall interrupt or interfere with LANDLORD’s, or its residents’, use and enjoyment of the Condominium Property, nor shall it prevent LANDLORD from making repairs, improvements, additions or replacements to the Condominium Property, including areas in the penthouse and on the rooftop. TENANT acknowledges that the Leased Premises are located upon the roof of a residential condominium and can be accessed only by means of an internal stairwell. TENANT shall comply with LANDLORD’s security protocols which

or alterations made by a party other than TENANT, or its TENANT's agents and representatives;

- (e) that except for the negligence of LANDLORD, its employees and those persons authorized by LANDLORD to be on the rooftop, TENANT shall indemnify and save harmless LANDLORD against all actions, suits, claims, damages, costs and liabilities arising out of or as a result of,
 - (i) any breach, violation, or non-performance of the terms, covenants and obligations on the part of TENANT set out in this Lease,

TENANT shall have the obligation to eliminate any interference of any other occupant's operations caused by its operations thereon.

10. In the event that the Leased Premises are destroyed or damaged in such manner that it would not be possible for TENANT to continue to maintain the Equipment therein, LANDLORD shall be under no obligation to rebuild or repair and the Term hereby granted shall cease and be at an end for all intents and purposes from the date of such damage or destruction, and TENANT shall immediately surrender same and yield up possession of the Leased Premises to LANDLORD, and the prepaid rent from the time of surrender shall be apportioned. LANDLORD shall not be responsible for any damage or loss which may be incurred by TENANT by reason of such termination,

11. TENANT hereby covenants with LANDLORD that it is self-insured under the laws of the State of Minnesota for the purposes of tort claims against TENANT (City of St. Paul, Minnesota), and for purposes of its agreement to indemnify LANDLORD against them as specified herein.

14. In the case of a dispute between LANDLORD and TENANT during the Term hereof, and any renewal, as to any matter arising hereunder, either party hereto shall be entitled to give to the other party notice of such dispute and, failing to arrive at a mutually satisfactory agreement within a period of thirty (30) days, pursue any and all available remedies. The prevailing party in any litigated matter shall be entitled to recover its reasonable attorneys' fees and costs in the discretion of the court.

15. It is understood and agreed that, during the Term of this Lease and any extension thereof, LANDLORD will not lease, license or permit a party other than TENANT to use any part of the property described and depicted on Exhibit A, for the purposes of the installation, operation and maintenance of telecommunications antennas that interfere with the operation of the Equipment.

16. **Default.**

(a) If TENANT defaults in the performance of the terms or provisions of this LEASE, LANDLORD shall promptly notify TENANT in writing. If TENANT shall fail to cure such default within thirty (30) days after receipt of the notice or if the default is of such character as to require more than thirty (30) days to cure, and TENANT shall fail to commence to do so within thirty (30) days after receipt of such notice and thereafter diligently proceed to cure such default, then, in either event, LANDLORD may (a) terminate this Lease and TENANT shall immediately remove the Equipment and pay to LANDLORD all amounts due LANDLORD under the terms hereof; or (b) charge TENANT any reasonable and actual expenses incurred by LANDLORD as a direct consequence of such default, the amount of which shall be paid by TENANT to LANDLORD within ten (10) days after statement therefor is rendered.

17. LANDLORD must provide TENANT at least sixty (60) days' written notice of any repairs, maintenance or other work (the "**Work**") during the Term of this Lease which may require the temporary relocation of any portion of the Equipment. LANDLORD agrees that the Work will not interfere with or alter the quality of the services provided by TENANT from the Leased Premises. TENANT shall be responsible for all expenses incurred by TENANT that are required to accommodate the Work.

18. TENANT shall select means, method and manner of performing the services it intends to provide hereunder. All work performed by TENANT within the Leased Premises or on LANDLORD's property shall be performed in a good and workmanlike manner, free from liens and without damage to the rooftop. TENANT shall be solely responsible to correct any damage caused by its activities on the property. Nothing is intended or should be construed in any manner in this Lease as creating or establishing the relationship of partners between LANDLORD and TENANT or as appointing TENANT as the agent, representative or employee of LANDLORD for any purpose or in any manner whatsoever. TENANT is to be and shall remain an independent contractor with respect to all of its activities performed under this Lease. TENANT represents that it will secure at its own expense all personnel required to perform services for it under this Lease, and any and all personnel of TENANT or other persons engaged in the performance of any work or services required by TENANT under this Lease shall have no contractual relationship with LANDLORD, and shall not be considered employees, agents or representatives of LANDLORD.
