2014 Budget Policy Plan

1. The Police Department will provide quarterly reports to the City Council on the available balance in the unclaimed monies fund. The reports will include the number of cases that were reviewed over the previous quarter and how many still need to be reviewed.
2. Council staff will work with the Administration on developing reports and/or policy sessions related to the following policy topics identified during the 2014 Council budget process: 1) city policies surrounding events held in the city; 2) the citywide facilities plan; 3) long-term planning goals for the city; 4) recycling diversion goals; and 5) the appointment process for city boards and committees.
