Subject: Please allow Yoerg's Brewing to sell wine...
Date: Monday, December 14, 2020 12:06:54 PM

Covid19 has put a damper on many small businesses as you are well aware, many of those businesses having to permanently close their doors.

Yoerg's Brewing on the east side is one of those still struggling to stay afloat during this time. One way to help in that is to be able to sell wine to their customers. There are liquor stores close by that sell all wines and spirits...Yoerg's is simply asking to be able to sell wines too. This would in no way affect the other stores in the area. Yoerg's, like many, need to find ways to continue on so they do not have to close their doors. Please allow this oldest St. Paul brewery to sell wine. It's the right thing to do in these trying times. Do the right thing. Thank you.
