For employees assigned to a work week other than Monday through Friday, the holiday shall be observed on the calendar date of the holiday.

Effective January 1, 2006, floating holidays were included in the vacation accrual schedule.

- 5.2 **Eligibility Requirements:** In order to be eligible for a holiday with pay, an employee must be employed as of the date of the holiday and have paid hours on the payroll for that pay period. The amount of holiday time earned shall be based upon the number of non-holiday hours paid during that pay period (see pro-ratio charts in Salary Plan and Rates of Compensation). Paid hours include hours actually worked (excluding overtime), vacation time, compensatory time, paid leave, and sick leave. ARTICLE 6 – EMPLOYEE RIGHTS – GRIEVANCE PROCEDURE

- 6.1 The Employer shall recognize stewards selected in accordance with Union rules and regulations as the grievance representatives of the bargaining unit. The Union shall notify the Employer in writing of the names of the stewards and of their successors when so named.

ARTICLE 6 – EMPLOYEE RIGHTS – GRIEVANCE PROCEDURE (Continued)

6.2 It is recognized and accepted by the Employer and the Union that the processing of grievances as hereinafter provided is limited by the job duties and responsibilities of the employees and shall therefore be accomplished during working hours only when consistent with such employees' duties and responsibilities. The steward involved and a grieving employee shall suffer no loss in pay when a grievance is processed during working hours, provided the steward and the employee have notified and received the approval of their supervisor to be absent to process a grievance and that such absence would not be detrimental to the work programs of the Employer.

6.3 Procedure established by this Article shall be the sole and exclusive procedure for the processing of grievances, which are defined as an alleged violation of the terms and conditions of this Agreement.

6.4 However, this Article does not abridge grievance rights possessed by eligible veterans under applicable veterans' rights statutes.

6.5 Grievances shall be resolved in conformance with the following procedure:

Step 1 – Upon the occurrence of an alleged violation of this agreement, the employee involved (with or without the steward) shall attempt to resolve the matter on an informal basis with the employee's supervisor. If the matter is not resolved to the employee's satisfaction by the informal discussion, it may be reduced to writing and referred to Step 2 by the Union. The written grievance shall set forth the nature of the grievance, the facts on which it is based, the alleged section(s) of the agreement violated, and relief requested. Any alleged violation of the agreement not reduced to writing by the Union within fourteen (14) work days of the first occurrence of the event giving rise to the grievance shall be considered waived.

Step 2 – Within seven (7) work days after receiving the written grievance, a designated Employer supervisor shall meet with the Union Steward and attempt to resolve the grievance. If as a result of this meeting the grievance remains unresolved, the Employer shall reply in writing to the Union within seven (7) work days following this meeting.

The Union may refer the grievance in writing to Step 3 within seven (7) work days following receipt of the Employer's written answer. Any grievance not referred in writing by the Union within seven (7) work days following receipt of the Employer's answer shall be considered waived.

Step 3 – Within seven (7) work days following receipt of a grievance referred from Step 2, a designated Employer supervisor shall meet with the Union Business Manager or his/her designated representative, the Employee and the Steward and attempt to resolve the grievance. Within seven (7) work days following this meeting, the Employer shall reply in writing to the Union stating the Employer's answer concerning the grievance. If as a result of the written response the grievance remains unresolved, the Union may refer the grievance to Step 4. Any grievance not referred in writing by the Union to Step 4 within seven (7) work days following receipt of the Employer's answer shall be considered waived.

ARTICLE 6 – EMPLOYEE RIGHTS – GRIEVANCE PROCEDURE (Continued)

Step 4 – If the grievance remains unresolved, the Union may within seven (7) work days after the response of the Employer in Step 3, by written notice to the Employer, request arbitration of the grievance. The arbitration proceedings shall be conducted by an arbitrator to be selected from a permanent panel of five (5) arbitrators. Arbitrators shall be selected by lot within twenty (20) work days after notice has been given.

In the event the Employer and the Union cannot mutually agree to five (5) arbitrators for the permanent panel, the parties will petition the Director of the Bureau of Mediation Services for a list of ten (10) arbitrators for each panel member for which the parties did not mutually agree. The parties shall alternately strike names from such list(s), the Employer striking first, until one (1) name remains.

Vacancies occurring on the permanent panel during the life of this Agreement shall be filled by mutual agreement of the parties. If the parties cannot mutually agree, the vacancy shall be filled by the process noted in the preceding paragraph. This arbitrator selection process shall be effective only for the duration of this Agreement unless both parties mutually agree to extend such provisions.

At any time prior to the opening of an arbitration hearing, the parties may mutually agree to utilize the assistance of the Bureau of Mediation Services to attempt to mediate a resolution of the dispute.

- 6.6 The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. The arbitrator shall consider and decide only the specific issue submitted in writing by the Employer and the Union and shall have no authority to make a decision on any other issue not so submitted. The arbitrator shall be without power to make decisions contrary to or inconsistent with or modifying or varying in any way the application of laws, rules, or regulations having the force and effect of law. The arbitrator's decision shall be submitted in writing within thirty (30) days following close of the hearing or the submission of briefs by the parties, whichever be later, unless the parties agree to an extension.

The decision shall be based solely on the arbitrator's interpretation or application of the express terms of this Agreement and to the facts of the grievance presented. The decision of the arbitrator shall be final and binding on the Employer, the Union, and the employees.

- 6.7 The fees and expenses for the arbitrator's services and proceedings shall be borne equally by the Employer and the Union, provided that each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of the proceedings, it may cause such a record to be made, providing it pays for the record.
- 6.8 The time limits in each step of this procedure may be extended by mutual agreement of the Employer and the Union.

ARTICLE 6 – EMPLOYEE RIGHTS – GRIEVANCE PROCEDURE (Continued)

- 6.9 It is understood by the Union and the Employer that a grievance, other than a grievance arising from a disciplinary action, may be determined by either the grievance procedure of this Contract or by the provisions of the Civil Service Rules of the City of Saint Paul. If an issue is determined by this grievance procedure it shall not again be submitted for arbitration under the Civil Service Rules. If an issue is determined by the provisions of the Civil Service Rules it shall not again be submitted for arbitration under this grievance procedure.
- 6.10 The provisions of this Article 6 shall not apply to Section 3.9 of this Agreement.
- 6.11 The Employer agrees to provide courtesy copies of all correspondence to the Union Business Manager or to the President of Local 2508. This Section shall not be grievable.

Such parking will be provided only for the days the employee is required to have his/her own personal car available.
- 7.4 **Rules and Regulations:** The Mayor shall adopt rules and regulations governing the procedures for automobile reimbursement. Such rules and regulations shall contain the requirement that recipients shall file daily reports indicating miles driven and shall file monthly affidavits stating the number of days worked and the number of miles driven, and shall further require that they maintain automobile liability insurance in amounts of not less than \$100,000/\$300,000 for personal injury, and \$25,000 for property damage, or liability insurance in amounts not less than \$300,000 single limit coverage, with the City of Saint Paul named as an additional insured. G (Vacation), unless the Contract provisions directly conflict with the Salary Plan. In such cases, the language of the Contract shall supersede/replace the conflicting language of the Salary Plan.
- 9.4 For purposes of this Article qualifying years of service shall be determined based on calendar years of service. This shall apply to both part-time and full-time employees.
- 9.5 “Years of service” may include, at the discretion of the Department Director, the amount of time worked by an employee at any previous public sector agency or private entity as in the relevant professional field. This “years of service” credit, if granted, may only be applied to affect vacation accrual and will have no impact on the employee’s seniority or other rights and benefits of employment based on years of service either to the Employee or in the employee’s job classification. Employees covered by this Agreement who were employed by the City of Saint Paul at the time this Agreement was ratified shall have 90 days from the date of ratification of contract to submit a request for prior service credit and supporting documentation to their Department Director for consideration. The total cost of such insurance coverage shall be paid by the retiree.

10.19 A retiree may not carry his/her spouse as a dependent if such spouse is also a City retiree or City employee and eligible for and is enrolled in the City health insurance program.

10.20 **Survivor Insurance:** The surviving spouse of an employee carrying family coverage at the time of his/her death due to a job connected injury or illness which was determined to have arisen out of and in the course of his/her employment under worker's compensation law shall continue to be eligible for city contribution in the same proportions as is provided for retired employees.

ARTICLE 10 – INSURANCE (Continued)

In the event of the death of an early retiree or a regular retiree, the dependents of the retiree shall have the option, within thirty (30) days, to continue the current hospitalization and medical benefits which said dependents previously had, at the premium and Employer contribution accorded to the eligible deceased retiree.

It is further understood that coverage shall cease in the event of:

- 10.20 (1) Subsequent remarriage of the surviving spouse of the deceased employee or retiree.

- 10.22 A retiree's participation in the City's health insurance plan must be continuous. The retiree must be participating in a City health insurance plan at the time of retirement. If a retiree chooses not to participate at the time of his/her retirement or if a retiree discontinues his/her participation at a later date, such retiree will not be eligible for any future participation or for any Employer contribution.

ARTICLE 11 – WORKING OUT OF CLASSIFICATION

- 11.1 The Employer shall avoid, whenever possible, working an employee on an out-of-class assignment for a prolonged period of time. Any employee working an out-of-class assignment for a period in excess of fifteen (15) working days during a year shall receive the rate of pay for the out-of-class assignment in a higher classification not later than the sixteenth (16th) day of such assignment.

For purposes of this Article, an out-of-class assignment is defined as an assignment of an employee to perform, on a full-time basis, all of the significant duties and responsibilities of a position different from the employee's regular position, and which is in a classification higher than the classification held by such employee.

The rate of pay for an approved out-of-class assignment shall be the same rate the employee would receive if such employee received a regular appointment to the higher classification.

- 11.2 For the following classifications, the provisions of Section 11.1 shall not apply to performance of the duties of the next higher classification in the job series:

ARTICLE 12 – SENIORITY

- 12.1 Seniority, for the purpose of this Agreement, shall be defined as follows: The length of continuous, regular, and probationary service with the Employer from the date an employee was first certified and appointed to a class title covered by this Agreement, it being further understood that seniority is confined to the current class assignment held by an employee. In cases where two (2) or more employees are appointed to the same class title on the same date, the seniority shall be determined by the employee's rank on the eligible list from which certification was made.
- 12.2 Seniority shall terminate when an employee retires, resigns, or is discharged.
- 12.3 In the event it is determined by the Employer that it is necessary to reduce the work force, employees will be laid off by class title within each department based on inverse length of seniority as defined above.

However, when layoff occurs in any of the titles listed below under Column A, layoff shall be based on inverse length of total seniority in all titles listed on the corresponding line under Column B. The Human Resources Department will identify such least senior employee in that title in the department reducing positions, and shall notify said employee of his/her reduction from the department.

If there are any vacancies in any of the titles under Column B on which seniority was based, in any other City department, the Human Resources Department shall place the affected employee in such vacancy.

If two (2) or more vacant positions are available, the Human Resources Department shall decide which vacant positions the affected employee shall fill. If no vacancy exists in such titles, then the least senior City employee in such titles shall be identified, and if the employee affected by the original departmental reduction is more senior, he/she shall have the right to claim that position and the least senior City employee in such titles shall be the employee laid off. For the purposes of this Article, the Board of Education is not included as a City department nor is a Board of Education employee included as a City employee.

ARTICLE 12 – SENIORITY (Continued)

12.4 In cases where there are promotional series, such as Office Assistant I, II, III, etc., when the number of employees in these higher titles is to be reduced, employees who have held lower titles which are in this bargaining unit will be offered reductions to the highest of these titles to which class seniority would keep them from being laid off, before layoffs are made by any class title within any department.

12.5 In cases where an employee to be laid off has held no regular appointment in a lower title in the same promotional series as his/her current title, that employee will be offered a reduction to the title within the bargaining unit to which he/she was regularly appointed immediately prior to his/her current title, so long as there is either a vacancy or, if no vacancy exists, a less senior employee in such title may be displaced. In cases where an employee to be laid off has held no regular appointment to any titles immediately prior to his/her current title, said employee shall be laid off.

The employee reducing into a title formerly held must satisfactorily complete a six-month probationary period in such title.

If the probationary period is not satisfactory, the employee shall, at any time during the probationary period, be reinstated to his/her former title and shall be laid off, but such employee's name will be placed on the reinstatement register in his/her former title and "bumping" rights herein shall not again apply to such employee.

This procedure will be followed by the City for City employees, and by the Board of Education for Board of Education employees; however, City employees being reduced or laid off may not displace Board of Education employees; Board of Education employees being reduced or laid off may not displace City employees.

12.6 It is understood that such employees will pick up their former seniority date in any class of positions which they previously held.

12.7 Recall from layoff shall be in inverse order of layoff, except that recall rights shall expire after two (2) years of layoff.

12.8 Employees assigned to these divisions in the Police Department: Impound Lot, Property Room, Communication Center, and/or Records, shall be allowed to bid for work shifts (i.e. midnights, days, and afternoons), on the basis of seniority when a vacancy occurs within the employees' classification in their division.

12.9 In the event the Employer believes it is necessary to merge, contract out, or subcontract any public work performed by employees covered by this Agreement which may lead to layoff, the Employer will notify the Union no less than forty-five (45) calendar days in advance. During the forty-five (45) days, the Employer will meet with the Union and discuss possible options to contracting out or ways and means to minimize the elimination of positions.

ARTICLE 13 – POST EMPLOYMENT HEALTH PLAN (PEHP)

13.1 Effective January 1, 2008, employees may be eligible for a Post Employment Health Plan (PEHP) contribution by the Employer of \$200.00. Use of this bulletin board is subject to approval of the Department Head.

ARTICLE 15 – WAGES

15.1 For purposes of this Contract, the wage schedule shall be Appendix A, attached hereto. Both parties agree that the inclusion of the classifications and salary ranges in Appendix A does not preclude the Employer from the following:

1. Reorganizing;
2. Abolishing classifications;
3. Establishing new classifications;
4. Re-grading classifications;
5. Reclassifying positions.

Both parties also agree that titles and grades in Appendix A refer to employees in the positions at the date of signing of the agreement. No employee in this bargaining unit shall suffer any reduction in salary because of a re-grading or reclassification during the contract period in which such re-grading or reclassification takes place.

ARTICLE 15 – WAGES (Continued)

- 15.2 Individual employees may request an audit of his/her position whenever the nature of the work and/or responsibilities in his/her position have substantially changed. When an employee has submitted a fully completed job profile to his/her supervisor requesting a classification study of his/her position, responsible Managers in the Department where the employee works shall have thirty (30) calendar days to complete their portion of the JAQ (job profile) and forward it to the Office of Human Resources. The staff of the Office of Human Resources will complete the study within sixty (60) days after the fully completed job profile is submitted to the Office of Human Resources by the employee's supervisors.

If the Employer finds the employee has assumed a higher level of responsibility but does not want the employee working at that level on a permanent basis, the Employer will present the employee with a written list of duties which the employee is expected to cease performing.

- 15.2(1) If the City does not complete the submitted Job Profile for an individual petition for reclassification within the 90-day window, at the completion of the Job Profile, the employee shall receive back pay starting as of the 91st day if Human Resources' determination is that the employee is performing the duties of the higher classification.

The Department retains the right to implement the results of the study or remove the higher level duties.

ARTICLE 16 – MAINTENANCE OF STANDARDS

- 16.1 The parties agree that all conditions of employment relating to wages, hours of work, overtime differentials, vacations, and all other general working conditions shall be maintained at not less than the highest minimum standard set forth in the Civil Service Rules of the City of Saint Paul (Resolution No. 3250) and the Saint Paul Salary Plan and Rates of Compensation at the time of the signing of this Agreement, and the conditions of employment shall be improved wherever specific provisions for improvement are made elsewhere in this Agreement.

APPENDIX B – CRITICAL INCIDENT RESOLUTION PAY

MEMORANDUM OF AGREEMENT

between

THE CITY OF SAINT PAUL

and

AFSCME CLERICAL LOCAL 2508

AFSCME TECHNICAL LOCAL 1842

This Agreement is entered into by and between the City of Saint Paul, Division of Information Services and the AFSCME Clerical Local 2508 and AFSCME Technical Local 1842 bargaining units (Union).

1. Employees of the Division of Information Services (IS) who are telephoned at home or paged and are subsequently requested to resolve a critical information system problem, shall be granted two (2) hours minimum compensation either in compensatory time or pay for their efforts per incident. An incident shall begin when the telephone or page is answered and end when the problem is either resolved or further efforts are deemed futile. This means multiple calls regarding the same problem are considered one incident.
2. If the IS employee is represented by the AFSCME Clerical or Technical bargaining unit and resolution of the problem takes less than one and one half (1.5) hours, the employee will be paid straight time for the two (2) hour minimum. If the resolution of the problem takes more than one and one half (1.5) hours, then the overtime provisions of the contract will apply.
3. The City and the Union agree that this language is experimental and shall not extend beyond the term of this Agreement unless both parties act affirmatively to renew or modify this clause in bargaining for the next contract.

APPENDIX C – COMMITMENT TO LMCHI

This letter confirms that the parties entered into the 2016 - 2017 Agreement with the following intentions and expectations regarding the health insurance issues that face the City:

1. The rising cost of health insurance is an issue of vital importance to both the City and its employees. The responsibility to contain these costs falls jointly on the City, its Unions and the employees.
2. The City's Joint Labor/Management Committee on Health Insurance (LMCHI) is a longstanding forum that has successfully resolved issues of joint concern in the past.
3. The parties to this letter believe the LMCHI is a forum that must continue to be supported. By signing this letter, the parties hereby renew their commitment to work in good faith on the LMCHI and support the bylaws of the committee which encourages the Administration of the City to seek a consensus recommendation from all the Unions prior to making any changes in plan design.
