09/17/2013	<u>13 232920</u>	Open	CS - CSO Complaint - Crime - Complaint	Hi - we are being driven crazy by ongoing noise in the middle of the night coming from the Blue Door Pub. This consists of bar patrons hanging out in the parking lot, which is essentially outside our bedroom

				windows. It is also stemming from deliveries being made at 5:30 a.m. which include banging, pounding and other loud obnoxious noises that continue for 1/2 hour. Last night someone was loading a truck at 1:30 a.m. until after 2 a.m. that included loud banging, etc. The police have been called multiple times, but arrive to late - after person has left yet, time after time. I've complained to the landlord but little has changed. What can we do to get some sleep in our own home? Would someone please call me and let me know my options? I'm ready to hire an attorney here - will send the bill to the Blue Door. Any advice would be much appreciated. They have destroyed our peace in our home.
