State your reasons for wanting to continue serving on the Workforce Innovation Board of Ramsey County (WIB): I have always believed a skilled workforce is critical to business success, stable families and a strong community. I believe by being a part of the WIB I can help address workforce issues and the needs of the employers and workers in advancing the economic health of Ramsey County. I would like to part of the WIBs efforts to develop innovative solutions to the important workforce's challenges. I would also bring the perspectives I've gain through my experience in business.

State your reasons for wanting to continue serving on the Workforce Innovation Board of Ramsey County (WIB): To continue to be an active part of the work of the WIB. Specifically it's work around Youth and Workforce development to strengthen the Ramsey County/City of St Paul communities. I would love to see more focus in the future in East St. Paul know that it is the states largest poverty pocket and needs are greater there. I also want to continue to bring my expertise and experience to the board from the nonprofit arena.

State your reasons for wanting to continue serving on the Workforce Innovation Board of Ramsey County (WIB): I have appreciated participating in the RCWIB and working towards connecting residents with employment opportunities and benefits. I am proud to be represent the Humphrey Job Corps staff and students interests on the board. I hope to continue to find ways for the HHHJC Center to support the community in partnership with the RCWIB. I have felt that the Youth and Ad Hoc Committees are doing important work serving youth in the county and Workforce Center participants. I have been intrinsically rewarded by being able to contribute to both.					
Have the cities or communities where you provide services or the services provided changed? If so, briefly describe: Our community continues to diversify in race and culture, and finding ways to engage new or under-served communities so that benefits and opportunities are distributed fairly is of the utmost importance.
